RE: H.R. 4252, Mutual Charter Choice and Continuity Act of 2014

Dear Congressman Rothfus:

PBA strongly supports the Mutual Bank Choice and Continuity Act of 2014 (H.R. 4252) which you introduced on March 14, 2014. We congratulate you on your efforts to bring choices and continued vitality to the nation's mutual institutions.

Mutual institutions in the Commonwealth of Pennsylvania and nationwide welcome the new capital-raising options in this legislation that will preserve their time-honored charter as well as the new federal charter option offered by the legislation.

H.R. 4252 will help continue the 200-year tradition of mutuals' service to their communities and the nation. We look forward to its consideration by the House of Representatives.

Please let us know if there is anything we can do to assist in garnering support for this bill.

Best regards,

J. Duncan Campbell III
